Re: Francisco Suriel v. Port Authority of New York and New Jersey, et al. (1:19-cv-03867)

Dear Counselors:

Pursuant to the Court's April 20, 2021 directive following the conference, please see attached two authorizations for the Port Authority issued cell phone records of Officer Andrew Samuel for August 6th and August 7th, 2018. Because we are not certain that Officer Samuel's signature is sufficient in view of the fact that the cell phone was obtained by the Port Authority although the number was assigned to him, we are providing an authorization signed by Officer Samuel and a separate authorization signed by Port Authority employee Jack Niedermeyer in an abundance of caution. According to our records, Officer Brett Telesford did not have a PortAuthority issued cell phone on August 6, 2018.

Yours, etc.,

Christopher Valletta, Esq.
